*****VOLUNTEER OPPORTUNITIES*****

***Late Pick-Up Duty*:** Every chorus family will be asked once or twice to wait at the end of rehearsal for the last chorister to be picked up. When you are called for "your turn" as the Late Pick-Up parent, please say yes, knowing that in the future, another parent will wait with your child in the event you are late.

***Check-in Parent Volunteer*:** Because of our limited staff, we need parents to manage the check-in desk at rehearsal during the season. Please see details below and indicate your availability with frequency if possible.

Please indicate your availability for the activities below – use "M" for mom or "D" for dad

___ **Check-In Parent** – These parents will arrive about 10- 15 minutes early and sit at the check-in table during the entire rehearsal. Responsibilities include welcoming and helping choristers, making sure they sign-in and pick up any new materials, to collect forms, maintain necessary records, and provide security at the door. A rotation among several parents is established so you would not need to commit more than a day every other week for example, unless you want to.
